

## SOURCE FOR BELT, HOLSTER AND AMMO BOXES

I just got my Rebel Fleet Trooper belt, holster, and ammo boxes done. I would like to recommend Jesse Shoemaker. He is very good and reasonably priced. I got the belt, holster, and 2 ammo boxes all done for \$110. You can't beat that. Plus, his work is always approved by the Rebel Legion.

His e-mail address is [howlsathemoon@hotmail.com](mailto:howlsathemoon@hotmail.com).

Let him know that Don sent you.

Jesse will do good work for you.
